PIZZAGATE FOR DUMMIES

What's All The Fuss About?

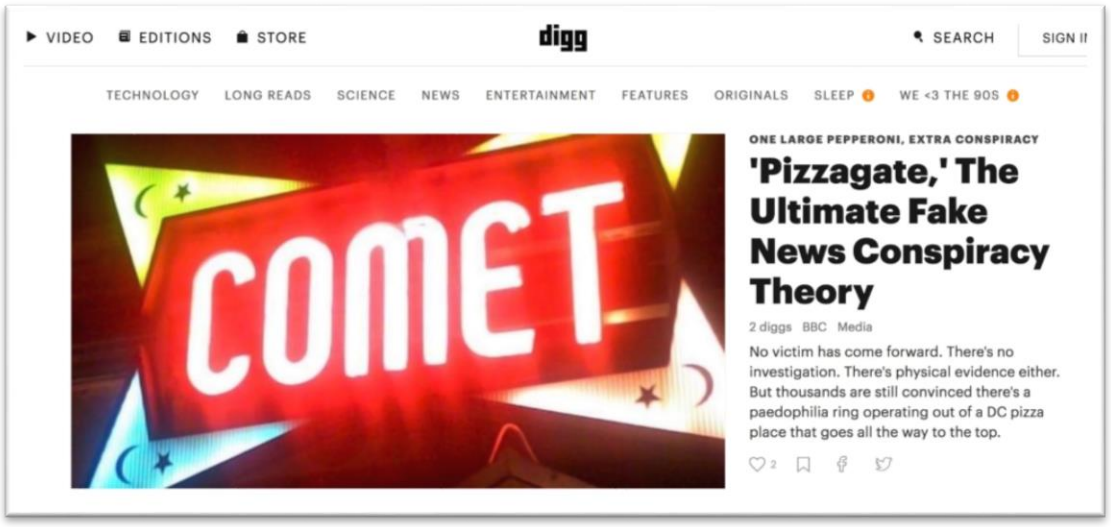
Dedicated to all the children out there, who as you read this are locked away somewhere awaiting their next torture session, gang rape, or ritual sacrifice.

I offer this work as a service to them, that it might help raise awareness and someday put an end to the reign of satanism and pedophilia on this Earth.

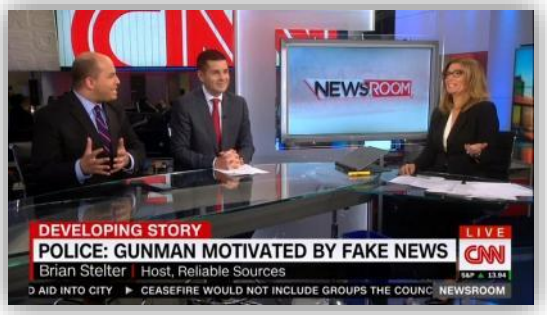
As we enjoy our "normal" lives,
we must never forget this goes on everyday,
and we must not stop until we put an end to it
and bring the perpetrators to justice.

PIZZAGATE – WHAT'S ALL THE FUSS ABOUT?

This is a primer for people who know nothing about "Pizzagate," except perhaps that the mainstream media has said it's all a hoax:



You may have even [seen the owner of Comet Ping Pong James Alefantis on Faux News] portraying the victim, after an angry out-of-work actor showed up with an AR-15 rifle at his restaurant and fired off a few rounds. The gunman had seen the Wikileaks material, including the Instagram screen grabs, and he said he "had to do something."



The man should have just gone in, bought a slice of pizza and had a look around. It's just another red flag that he may have been part of this incident to support the "fake news" narrative, so people wouldn't want to look at the actual evidence for fear of being labeled a "conspiracy theorist."

It all started when Wikileaks released emails from Hilliary's campaign manager John Podesta's gmail acct on Oct 7, 2016.
The e-mails were not hacked by "Russians," they were in fact leaked by people in the US intelligence community who had had enough of the Clintons and their corruption.
Watch Steve Pieczenik as he explains in more detail what really happened and why:
https://www.youtube.com/watch?v=ov5kvWSz5LM
(4 min)

In addition, here's a radio interview with Wikileaks founder Julian Assange on Sean Hannity's radio show from Dec 15, 2016. Listen as he talks about his sources and says overtly that Russia was not involved. Notice the clip of James Clapper as he says the evidence linking Russia is weak at best:
https://www.youtube.com/watch?v=YPgdARSYgGA
(26 min)

SO WHY ALL THE HYPE ABOUT RUSSIAN HACKING AND FAKE NEWS?

Because the biggest story in history just leaked out and people, especially young millennials, have taken the ball and run with it in true journalistic fashion.
What's the biggest story in history?
That there is an ENOURMOUS global child trafficking & pedophilia ring that is being run for the benefit of the political and business elite, and that law enforcement and the media are complicit in a cover up.

The cold dark fact is that there is a giant underworld of child abuse that is completely unknown to most people. It has been there for decades, perhaps centuries, and its scope goes far beyond party lines or national boundaries. And "Pizzagate" is just another opportunity to bring this scourge of our species out into the light to face justice, and to free all the children locked away somewhere as you read this. Obviously those who are behind all of this know they must not let it get out, and will say or do anything to prevent that from happening.

On December 8 the "Countering Disinformation and Propaganda Act" passed in the Senate, *quietly inserted inside the 2017 National Defense Authorization Act (NDAA) Conference Report.* Obama signed of the NDAA on Dec 23rd 2016, and *the Countering Disinformation and Propaganda Act* is now law and will be used to control the narratives & squelch the alt media.

LET'S START WITH A LITTLE BACKGROUND ON THE SUBJECT

The first obvious clue to a huge organized pedophilia network surfaced in 1982 with the [disappearance of 12 year old Johnny Gosch] in Des Moines Iowa. Noreen Gosch, Johnny's mother, to this day has not given up on the search for her son and to find out what happened. http://www.johnnygosch.com/

DATELINE Cold Case
SPOTLIGHT
Johnny Gosch, 12 (in 1982)
Vanished while on his regular paper route the morning of September 5th, 1982 in Des Moines, Iowa.
Investigators have been unable to uncover any evidence to support a kidnapping case and have no suspects in his disappearance.
If you know anything, please call the Des Moines Police at (515) 283-4811
1982: 12-years-old
2012: 42-years-old
(age progression)

Noreen's story alone should have been a national headliner, but what happened to her and her son will really disturb you. Basically, not only did local & Federal law enforcement not help, ***they were actually in on it and covered it up.***
Here's a short news clip with her story, followed by a radio interview:

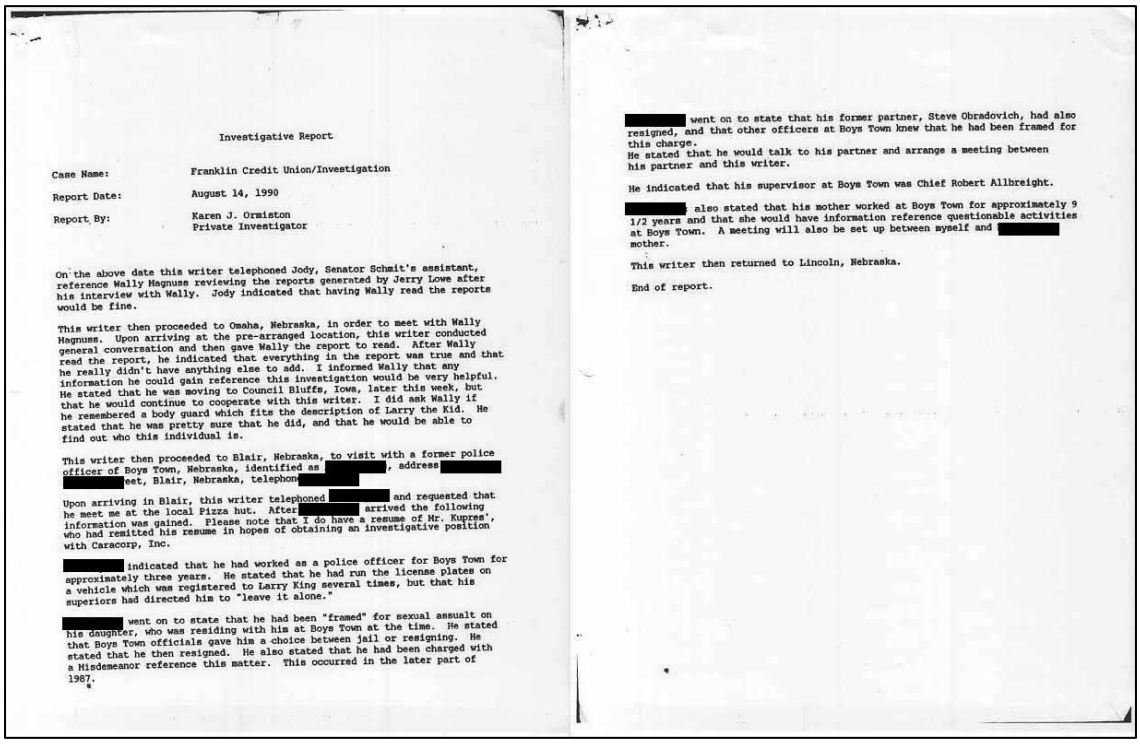
Noreen Gosch hired Private Investigators for years after Johnny was abducted, here is one report that shows how police who tried to move forward with an investigation were punished harshly:



Investigative Report

Case Name: Franklin Credit Union/Investigation

Report Date: August 14, 1990

Report By: Karen J. Ormiston
Private Investigator

On the above date this writer telephoned Jody, Senator Schmit's assistant, reference Wally Magnuss reviewing the reports generated by Jerry Lowe after his interview with Wally. Jody indicated that having Wally read the reports would be fine.

This writer then proceeded to Omaha, Nebraska, in order to meet with Wally Magnuss. Upon arriving at the pre-arranged location, this writer conducted general conversation and then gave Wally the report to read. After Wally read the report, he indicated that everything in the report was true and that he really didn't have anything else to add. I informed Wally that any information he could gain reference this investigation would be very helpful. He stated that he was moving to Council Bluffs, Iowa, later this week, but that he would continue to cooperate with this writer. I did ask Wally if he remembered a body guard which fits the description of Larry the Kid. He stated that he was pretty sure that he did, and that he would be able to find out who this individual is.

This writer then proceeded to Blair, Nebraska, to visit with a former police officer of Boys Town, Nebraska, identified as [redacted], address [redacted] eet, Blair, Nebraska, telephon[redacted]

Upon arriving in Blair, this writer telephoned [redacted] and requested that he meet me at the local Pizza hut. After [redacted] arrived the following information was gained. Please note that I do have a resume of Mr. Kupres", who had remitted his resume in hopes of obtaining an investigative position with Caracorp, Inc.

[redacted] indicated that he had worked as a police officer for Boys Town for approximately three years. He stated that he had run the license plates on a vehicle which was registered to Larry King several times, but that his superiors had directed him to "leave it alone."

[redacted] went on to state that he had been "framed" for sexual assault on his daughter, who was residing with him at Boys Town at the time. He stated that Boys Town officials gave him a choice between jail or resigning. He stated that he then resigned. He also stated that he had been charged with a Misdemeanor reference this matter. This occurred in the later part of 1987.

[redacted] went on to state that his former partner, Steve Obradovich, had also resigned, and that other officers at Boys Town knew that he had been framed for this charge.
He stated that he would talk to his partner and arrange a meeting between his partner and this writer.

He indicated that his supervisor at Boys Town was Chief Robert Allbreight.

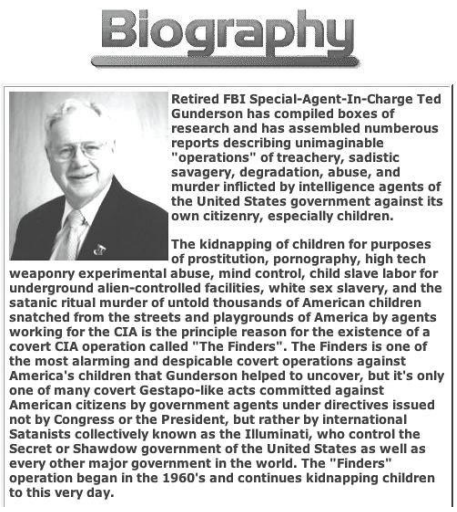
[redacted] also stated that his mother worked at Boys Town for approximately 9 1/2 years and that she would have information reference questionable activities at Boys Town. A meeting will also be set up between myself and [redacted] mother.

This writer then returned to Lincoln, Nebraska.

End of report.

Ted Gunderson, retired head of the Los Angeles FBI office, helped Noreen Gosch with her case and speaks very highly of her. In this video he gives us the grim numbers as of about 2005:

- 4-5 million practicing satanists in the US
- 83 children abducted **every hour** in the US (= 1,992 per day, 727,000 per year)
- 50,000-60,000 people sacrificed each year in satanic rituals in the US (150/day)



Biography
Retired FBI Special-Agent-In-Charge Ted Gunderson has compiled boxes of research and has assembled numberous reports describing unimaginable "operations" of treachery, sadistic savagery, degradation, abuse, and murder inflicted by intelligence agents of the United States government against its own citizenry, especially children.
The kidnapping of children for purposes of prostitution, pornography, high tech weaponry experimental abuse, mind control, child slave labor for underground alien-controlled facilities, white sex slavery, and the satanic ritual murder of untold thousands of American children snatched from the streets and playgrounds of America by agents working for the CIA is the principle reason for the existence of a covert CIA operation called "The Finders". The Finders is one of the most alarming and despicable covert operations against America's children that Gunderson helped to uncover, but it's only one of many covert Gestapo-like acts committed against American citizens by government agents under directives issued not by Congress or the President, but rather by international Satanists collectively known as the Illuminati, who control the Secret or Shawdow government of the United States as well as every other major government in the world. The "Finders" operation began in the 1960's and continues kidnapping children to this very day.

Here is a one-hour speech Ted made before he was murdered for speaking out about this. He goes into great detail and it's well worth the small investment of time:

THE FRANKLIN COVER UP

In 1989 came the "Franklin Cover Up" scandal, former US Congressman John DeCamp exposed a network of pedophilia in Nebraska that went all the way to the White House:

The Franklin Cover-up

The shut-down of Omaha, Nebraska's Franklin Community Federal Credit Union, raided by federal agencies in November 1988, sent shock waves all the way to Washington, D.C. $40 million was missing. The credit union's manager: Republican Party activist Lawrence E. "Larry" King, Jr., behind whose rise to fame and riches stood powerful figures in Nebraska politics and business, and in the nation's capital.

In the face of opposition from local and state law enforcement, from the FBI, and from the powerful *Omaha World-Herald* newspaper, a special Franklin committee of the Nebraska Legislature launched its own probe. What looked like a financial swindle, soon exploded into a hideous tale of drugs, Iran-Contra money-laundering, a nationwide child abuse ring, and ritual murder.

Nineteen months later, the legislative committee's chief investigator died—suddenly, and violently, like more than a dozen other people linked to the Franklin case.

Author John DeCamp knows the Franklin scandal from the inside. In 1990, his "DeCamp memo" first publicly named the alleged high-ranking abusers. Today, he is attorney for two of the abuse victims.

Using documentation never before made public, DeCamp lays bare not only the crimes, but the cover-up—a textbook case of how dangerous the corruption of institutions of government, and the press, can be. In its sweep and in what it portends for the nation, the Franklin cover-up followed the ugly precedent of the Warren Commission.

Senator John W. DeCamp

During 16 years in office, former state Senator John DeCamp was cited, even by his enemies at the *World-Herald*, as one of the most effective legislators in Nebraska history. A highly decorated Vietnam War veteran, in 1975 he initiated Operation Baby Lift, which evacuated 2,800 orphaned Vietnamese children. He practices law in Lincoln, Nebraska, is married, and is the father of four children.

JIMMY SAVILE

And who could forget the Jimmy Savile case, where a BBC star with direct ties to the Crown raped a child an average of once a week for over 40 years. His "problem" was well known by the BBC staff, and no one gets that close to the "Royal Family" without *intense* scrutiny.
Savile even raped dead bodies & terminally ill children dying in the hospital. He was knighted though, maybe for getting away with it for so long:

MORE PEDOPHILES DICSOVERED IN BRITIAN

This story update was posted while I was writing this in December 2016.
If 3,500 people are suspects, the number of victims could be in the many tens of thousands:

"Britain's historical child sex scandal has hit record proportions with nearly 3,500 people now under investigation over claims of abuse. Children as young as 4 years old were abused"

THERE'S A GIANT PEDOPHILIA SCANDAL UNFOLDING IN AUSTRALIA

An Internet pedophile ring with up to 70,000 members — thought to be the world's largest —has been uncovered by police, a security official said Wednesday.

Europol director Rob Wainwright said Wednesday the ring, which communicated using an Internet forum, was "probably the largest online pedophile network in the world."

Cori Bassett, a public affairs officer for U.S. Immigration and Customs Enforcement, said in an email that there had been five arrests and four convictions in the U.S. in connection with Operation Rescue.

"The website operated from a server based in the Netherlands and, at its height, boasted up to 70,000 members worldwide," it added.

"It attempted to operate as a 'discussion–only' forum where people could share their sexual interest in young boys without committing any specific offences, thus operating 'below the radar' of police attention," Europol said.

"Having made contact on the site, some members would move to more private channels, such as email, to exchange and share illegal images and films of children being abused. Computers seized from those arrested have harvested huge quantities of child abuse images and videos," it added.

"60 MINUTES" AUSTRALIA, ANOTHER OLDER HORRIFYING CASE

Check out this short story by 60 Minutes Australia about a young girl abused by her grandmother, her story is one of the worst I have ever heard.

The mother left the child with her father (whom she had divorced) as she was having personal issues at the time. The father left the girl with his mother, who let the girl be raped and witness to ritualistic torture and murder.
She was impregnated many times, they would abort the fetus and kill it in front of her.
One time they ate it in front of her and made her eat it too, while laughing at her:

PEDOPHILE RING DISCOVERED IN NORWAY CASE

http://www.foxnews.com/world/2016/11/20/lawyers-politicians-among-20-men-arrested-in-norwegian-pedophile-network-probe.html

Lawyers, politicians among 20 men arrested in Norwegian pedophile network probe

HELSINKI – Norwegian police are investigating a pedophile network suspected to involve at least 51 people, and which includes the abuse of infants and at least one case of a suspect acknowledging abusing his own children.

Police have arrested 20 men so far in western Norway, with three convictions, in Norway's largest abuse case to date, Deputy Police Chief Gunnar Floystad said. The 31 other suspects are from other regions in Norway.

Floystad told reporters Sunday that many of the suspects are highly educated, and include lawyers and politicians. He said he could not reveal more details pending the conclusion of the investigation, known as "Dark Room," which began in 2015.

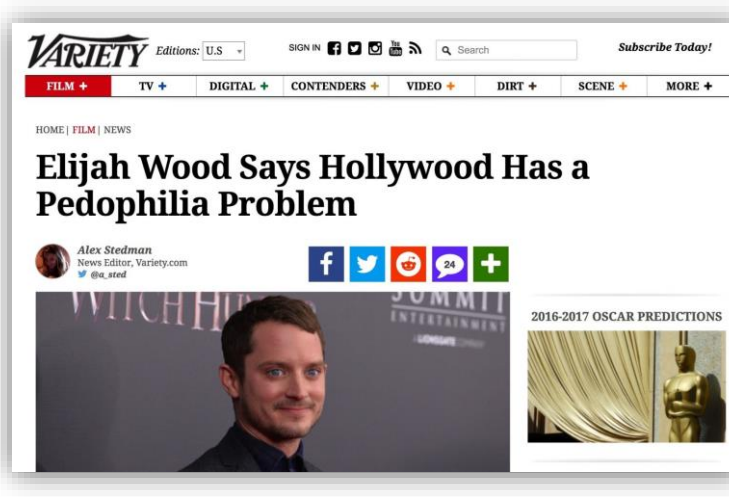
Prosecutors said the perpetrators met on the dark web, using encryption and anonymity to hide their tracks.

HOLLYWOOD IS ALSO A CESSPOOL OF CHILD ABUSE

On May 23, 2016, Lord of the Rings lead actor Elijah Wood said Hollywood's biggest problem has always been pedophilia.

These allegations were covered in Variety, the top Hollywood magazine, among other sources such as the Sunday Times.

Here are a few excerpts from Variety, as they are highly relevant:



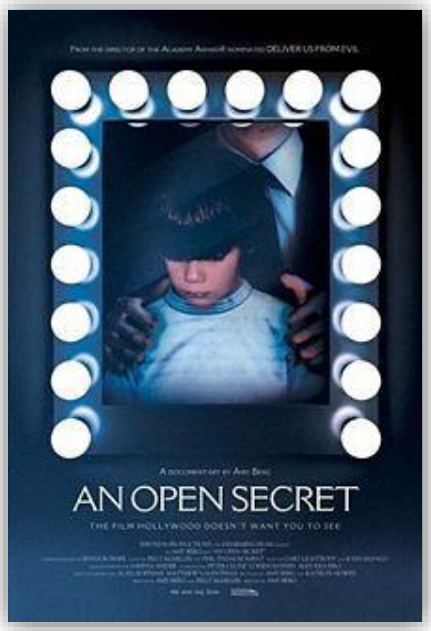
"The actor, in a new interview with the Sunday Times is accusing Tinseltown of having a pedophilia problem, saying "a lot of vipers" are preying on children in the business.

"Clearly something major was going on in Hollywood. It was all organized. There are a lot of vipers in this industry, people who only have their own interests in mind," he said.

"There is darkness in the underbelly… People with parasitic interests will see you as their prey…."

He added that he's been "led down dark paths to realize that these things probably are still happening."

Amy Berg's documentary "An Open Secret" revealed the full scope of the Hollywood pedophilia problem, and was completely squashed by the Establishment after its premiere. Watch it on Youtube: https://www.youtube.com/watch?v=4eeGX4SlF1s



It was only shown in nine theaters in Denver and Seattle starting on June 5th, 2015, and was quickly removed.

It eventually got distribution by cutting it from an R to a PG-13 rating, long after the "buzz" had worn off.

So With That Harsh and Well-Established Reality As The Backdrop,
Now Let's Take A Look At "Pizzagate"

WIKILEAKS RELEASES JOHN PODESTA'S E-MAILS

The Podesta emails went public as of October 7, 2016, and were devastating to the Clinton campaign for other reasons, at least initially.

As the Millennium Report pointed out, "John Podesta is not only the ultimate Democratic powerbroker, Beltway insider and powerful political fixer, his professional resume is both long and deep in the U.S. Federal Government.

"[Podesta] was Bill Clinton's White House Chief of Staff back in the 1990s, Barack Obama's Counselor to the President, and Chairman of Hillary Clinton's 2016 presidential campaign."

There is also tangible proof that the emails are legitimate as DKIM was used on the servers, and the public keys are valid. This was discussed rather thoroughly in the reddit thread before they closed it, although might be covered in the voat thread now.
To date Wikileaks has published over 10 million e-mails without a single fake.
And so far no one has officially contested the validity of the leaked emails.

FOOD-RELATED KEYWORDS USED TO SPEAK IN CODE

Out of 2,060 total emails in the first Podesta collection, there are 149 instances of "pizza", 73 of hot dog, 85 of cheese, 78 of pasta, 41 of sauce, 84 of ice cream and 47 of walnut.

The word "map," which can refer to a telltale clue that could destroy the entire crime ring if left behind, such as through DNA evidence, appears 917 times.

That's almost half of all the emails. These words often appear in very, very bizarre contexts that have nothing to do with food. That is one key element of Pizzagate.

The term "pizza" itself appears to be code for a sexual partner, particularly if it is a minor, and again appears 149 times.

Although "walnut" appears 47 times in very strange ways, the equally popular nut "cashew" doesn't appear even once. This is most likely because "walnut" is a code word and "cashew" is not.

An innocuous, non-code-word junk food like "French fries" only appears 13 times. "Milkshake" only appears six times.

"Vegetable" only appears 24 times. "Pear" only appears 25 times. "Grape" only appears six times. "Avocado" only appears four times. "Strawberry" only appears twice. None of these are code words.

UNDERSTAND THE CODE WORDS

Law enforcement authorities and online "Urban Dictionary" resources have identified the specific terms we just mentioned – pizza, cheese, sauce, pasta, et cetera – as code words for child sex trafficking.

Code words allow people engaging in illegal activities to have a cover story in the event that their communications are discovered.

A simple, much less serious example of code-speak would be a college student referring to a bag of weed as a "book", such as when talking on the phone or in an email about it.

People engaging in criminal activities have always been aware of surveillance, and use code terms to avoid getting caught, or at least reduce the risk.

A simple-sounding question like "Read any good books lately?" can lead to knowing laughter in cases like our hypothetical pot-smoking college students.

Here are the main words to watch for as we move forward:

"hotdog" = boy
"pizza" = girl
"cheese" = little girl
"pasta" = little boy
"ice cream" = male prostitute
"walnut" = person of color
"map" = semen
"sauce" = orgy

YOU CAN RESEARCH IT FOR YOURSELF

Pizza and other specific food terms appear in very suspicious, non-food-related ways in hundreds of different letters sent by Clinton's campaign manager John Podesta and others. (1 , 2 , 3)

Here are three notable examples:

> https://wikileaks.org/podesta-emails/emailid/19018
>
> *I consider ice cream, its purchase, and its consumption a rather serious business. We can't just willy-nilly toss it out and about in casual references, especially linked with the word "free".*

https://wikileaks.org/podesta-emails/emailid/30613

Lo and behold, instead of pasta and wonderful sauces, it was a lovely, tempting assortment of cheeses, Yummy. I am awaiting the return of my children and grandchildren from their holiday travels so that we can demolish them.

Ps. Do you think I'll do better playing dominos on cheese than on pasta?
(cheese is code for a little girl, pasta means little boy, not sure what "playing dominoes" is)

Some variant of the handkerchief code

Handkerchiefs are apparently used to catch sexual fluids and are saved by the perpetrator as a memento. "Map" is a code word for semen. Trust me, people this rich don't care if they lost a hanky and they sure as heck don't eat this much pizza. More on the pizza part later…

SPIRIT COOKING

We also learned about "Spirit Cooking," a mock-satanic ritual involving blood, semen and breast milk. Children were in attendance, along with celebrities and other power brokers like the Podestas. Here's an e-mail of Marina Abramovic inviting the Podesta brothers to the ceremony: https://wikileaks.org/podesta-emails/emailid/15893

From: Marina Abramovic <marinaxabramovic@gmail.com<mailto:marinaxabramovic@gmail.com>>

Subject: Dinner

Dear Tony,

I am so looking forward to the Spirit Cooking dinner at my place. Do you think you will be able to let me know if your brother is joining?

All my love, Marina

--

ABRAMOVIC LLC

So let's have a look at what a "Spirit Cooking" ceremony is really all about. Remember the reference "cut deeply into the middle finger of the left hand" as I will refer to it a bit later on.

**These photos are from a chart, the black lines connected various people and photos on the chart*

And here's a photo of John Podesta with occult markings on his hands. Notice the band-aid on his left-hand middle finger, consistent with the spirit cooking ritual mentioned earlier:

("cut deeply into the middle finger of the left hand and eat the pain")

Notice the freaky cannibal artwork hanging in John Podesta's office:

And John's brother Tony Podesta is very close friends with former Speaker of the House and convicted pedophile Dennis Hastert. Here's a cryptic e-mail from John to Tony about Dennis after he was caught, obviously in some sort of code:

https://wikileaks.org/podesta-emails/emailid/12865

From: John Podesta [mailto:john.podesta@gmail.com]

Subject: Fwd: HOW WONDERFUL Re: Hellow!

This traffic is really warm and really weird in light of Hastert. Boy that's sad.

Yes, it's always sad when a grown man is held accountable for raping kids…NOT! WTF?!?
And what sort of "traffic" is he referring to?!?

Now let's have a look at John's brother Tony Podesta, and then we'll move on to Comet Ping Pong and Jeffrey Alefantis.

Here's an interview with Tony Podesta where he speaks about Dennis Hastert, and that they are "still friends." Tony's not going to let a little thing like child rape come between old friends:

http://www.chicagomag.com/Chicago-Magazine/Felsenthal-Files/December-2013/How-the-Podesta-Brothers-Rose-From-the-39th-Ward-to-the-White-House/

And notice what is said in the article about his brother John and his temper, "*Politico*'s *Glenn Thrush says that your brother* ***(John Podesta) can have a "short fuse;" that he has "a sulfuric evil twin [named Skippy] so fearsome that even the brash Rahm Emanuel scrambled for cover."***

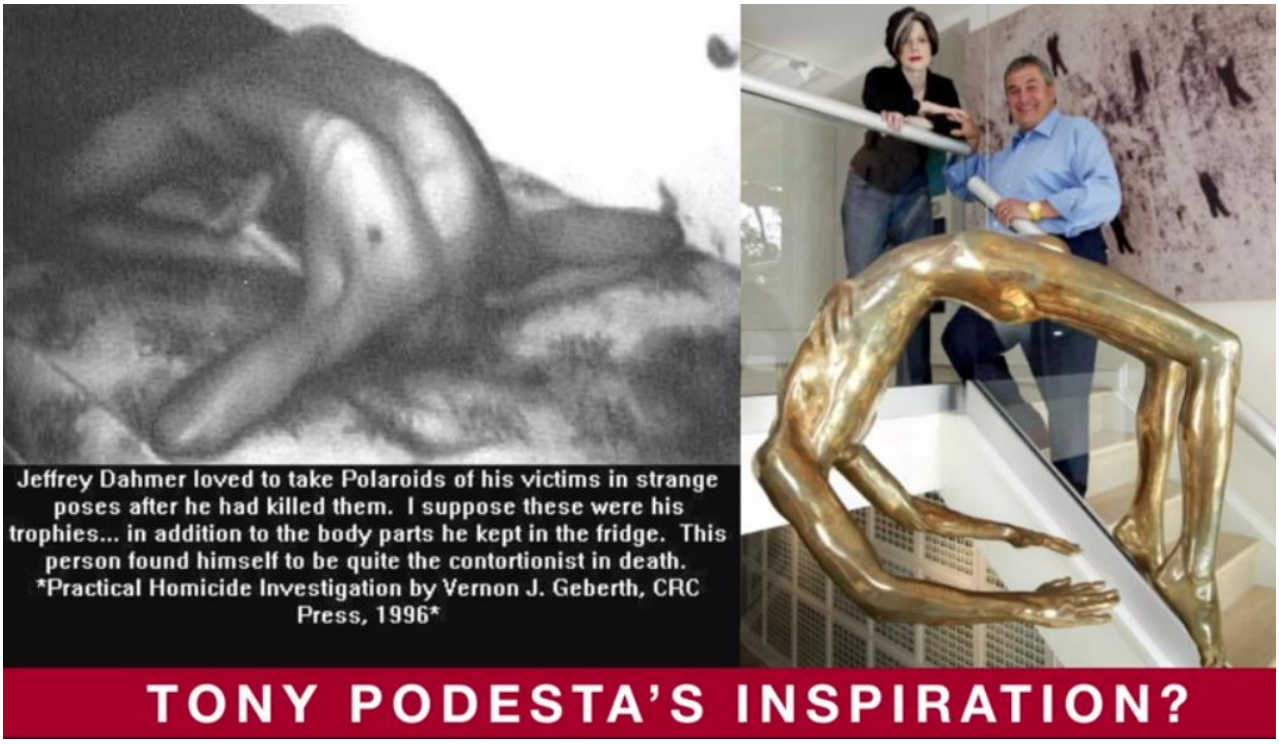
Next let's have a look at Tony's unusual taste in art. He purchased a 7,000 square foot home that underwent 3 years of renovations to accommodate all of his "art."

http://washingtonlife.com/2015/06/05/inside-homes-private-viewing/

"*Though he purchased the 7,000-square-foot residence in 2006, he was not able to move in until 2009 as it took nearly three years to finish the massive renovations he undertook"*

"He regularly opens his house to casual pizza parties co-hosted by his friend James Alefantis, the owner of Comet Ping Pong."

Notice how his flagship sculpture in the foyer of his home resembles Jeffrey Dahmer's handiwork, complete with the absence of a head. This sculpture is called "the arch of hysteria."



Jeffrey Dahmer loved to take Polaroids of his victims in strange poses after he had killed them. I suppose these were his trophies... in addition to the body parts he kept in the fridge. This person found himself to be quite the contortionist in death.
Practical Homicide Investigation by Vernon J. Geberth, CRC Press, 1996
TONY PODESTA'S INSPIRATION?

He is also quite is fond of the artwork of Biljana Djurdjevic… Would you hang these in your home?

And finally, the Podesta Brothers were apparently staying in Portugal at the time of Madeleine McCann's disappearance on May 3, 2007. They were staying at the residence of Sigmund Freud's grandson Sir Clement Freud, who is a known pedophile, and his home is just 1/3 mile from where Madeleine disappeared. Here's a police sketch of the suspects, alongside photos of the Podestas.

Sir Clement Freud was tied to Madeleine's disappearance, in fact he befriended the parents after the disappearance:
http://www.thedailybeast.com/articles/2016/06/14/freud-s-grandson-linked-to-madeleine-mccann-and-vip-pedophile-ring.html

And Scotland Yard says they know who took Madeleine but they cannot arrest them, because "*International Law will not allow them to be brought to justice*."
https://www.youtube.com/watch?v=z8c3f26M8-Q

So before we even get to Comet Ping Pong & James Alefantis, let's recap:

- A huge global pedophilia network has operated since at least 1980
- This pedophilia ring reaches to the very highest levels of church & state
- Previous investigation**s** have been silenced by federal & local law enforcement
- The Podesta e-mails are LOADED with obvious & known pedophilia code words
- The Podesta's enjoy attending satanic rituals like "Spirit Cooking"
- The Podesta's have bizarre taste in art associated with satanic rituals
- The Podesta brothers highly resemble suspects at a child abduction crime scene
- The Podesta's are connected and active at the HIGHEST levels of government
- Mainstream Media is obviously ignoring this epic scandal as much as possible

JAMES ALEFANTIS AND COMET PING PONG

Let's have a look at James Alefantis, the owner of Comet Ping Pong pizza parlor in Washington DC:

For starters, James Alefantis appears to be a pseudonym cipher designed to resemble "J'aime les enfants," which means "I love children" in French.

He is also well connected with the Podestas & the Clinton Campaign:

Washington, D.C. 20008
Dear James:
Thank you for lending your time and extraordinary talent to participate in the "Cooking with Fratelli Podesta" fundraiser for my campaign for president hosted by Tony and John Podesta. I heard the evening was a smashing success, and am grateful to you for everything you did to make it possible.
I'm running for president because everyday Americans and their families need a champion, and I want to be that champion. I want to help all people fulfill their potential and not only get ahead, but stay ahead. I am energized by the support and good wishes I have received on the trail, and am looking forward to continuing the conversation about our future and to building an inclusive, nationwide grassroots campaign that will earn every vote to victory.
Thank you for standing with me in this fight, and please know that I am cheering you on for continued success. Onward!
With warm regards, I am
Sincerely yours,
Hillary Rodham Clinton

Now let's look at some of his leaked Instagram posts, notice the comments for some context:

Here he refers to this baby as a "*hotard*", short for whore + retard:

These pictures got everyone thinking the trench is a tunnel used to move children around. Comet Ping Pong has no basement, however Buck's (owned by Alefantis and only two doors away) does have a basement. Also, "*Underpinning*" is a term used in tunnel making (see comments):

Before we go inside Comet Ping Pong, lets take a look at this unclassified FBI document about pedophilia symbols. Remember that satanists and people into the occult are really into symbols:

UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE

FEDERAL BUREAU OF INVESTIGATION
INTELLIGENCE BULLETIN
Cyber Division, Innocent Images National Initiative

31 January 2007

(U) Symbols and Logos Used by Pedophiles to Identify Sexual Preferences

(U//FOUO) This intelligence bulletin addresses Crimes Against Children Standing Intelligence Requirements Set contained in Q-FBI-2200-005-06, HRWC CAC-VI.A.5.

(U//LES) Pedophiles, to include those who sexually abuse children as well as those who produce, distribute, and trade child pornography, are using various types of identification logos or symbols to recognize one another and distinguish their sexual preferences. To specifically indicate the pedophile's gender preference, members of pedophilic organizations encourage the use of descriptions such as "boylove", "girllove", and "childlove."[1] These symbols have been etched into rings and formed into pendants, and have also been found imprinted on coins.

(U) The BoyLover logo (BLogo) is a small blue spiral-shaped triangle surrounded by a larger triangle, whereby the small triangle represents a small boy and the larger triangle represents an adult man.[2] A variation of the BLogo is the Little Boy Lover logo (LBLogo), which also embodies a small spiral-shaped triangle within a larger triangle; however, the corners of the LBLogo are rounded to resemble a scribbling by a young child.[3] Images of the BLogo and LBLogo symbols are depicted below.

(U) The GirlLover logo (GLogo) depicted below is a small heart surrounded by a larger heart, which symbolizes a relationship between an adult male or female and minor girl.

(U) The ChildLover logo (CLogo), as shown below, resembles a butterfly and represents non-preferential gender child abusers. The Childlove Online Media Activism Logo (CLOMAL), also represented below, is a general purpose logo used by individuals who use online media such as blogs and webcasts.[4]

(U//LES) FBI investigations in several cities have uncovered several symbols used by pedophiles to proclaim their attraction to children. After a seizure of a subject's computer in connection with an Innocent Images case in the Jacksonville Division, a Computer Analysis Response Team forensic examiner came across an unfamiliar symbol that was integrated into a Web site banner named "ATBOYS.COM, where the "A" in "ATBOYS" was actually the BoyLove symbol and written as follows: ATBOYS.com. It was further determined that "ATBOYS" is an acronym for Attracted To Boys.[5] These pedophilia symbols also appear on Web sites such as one of the banners advertised on www.boylover.net, shown below.[6]

UNCLASSIFIED

(U) Boylover.net banner

(U//LES) In another incident, FBI Sacramento was alerted by the California Department of Justice about an unusual marking on a coin. Research of the marking concluded that the BoyLover logo (BLogo) was imprinted on the front of the coin, and the phrase "Kids Love Pedos" was engraved on the back of the coin.[7] *(Coins depicting the BLogo are pictured on page one.)* The appearance of the BLogo on coins is another method used by pedophiles to announce their sexual preferences.

(U) Pedophilia symbols on jewelry, coins, Web sites and other effects are indicative of advertisement methods used by child sexual predators to promote their cause. Pedophile activists advocate for the social acceptance of sexual relationships between adults and children. These organizations seek to decriminalize sexual relationships between adults and children and to legalize child pornography based on their belief that children have the ability to consent to sexual acts.

(U//LES) Identical or similar jewelry and symbols as described in this intelligence bulletin should raise suspicion of possible pedophilia activity when found during searches. Investigators should also be attentive to pedophilia symbols advertised on Web sites. During examinations of computer files, investigators should be conscious of subjects who try to conceal child pornography by labeling them with symbols instead of the typical suggestive explicit names.

(U) This Intelligence Bulletin was prepared by the FBI's Cyber Division, Innocent Images Unit. Please address all comments or questions to the Innocent Images Unit at 301-586-1613.

Here's the Comet menu, which has a logo of two ping-pong paddles on it that looks very similar to the FBI-identified logo for Child Lover. The wooden handles form a very clear Maltese/Templar cross, tilted sideways. There is also a subtle suggestion of a human face that has been blindfolded - the white strip over the two circular paddles - and gagged, as seen in the X. The "blindfold" over the paddles says, "Play. Eat. Drink." This may be an acronym for PED – i.e. a pedophile.

Notice the corner symbols used in the exterior sign. The crescents and stars in the Comet logo are familiar to dark scholars, as they appear around images of Baphomet, the goat-horned god.
The corners also resemble the wings. Remember, satanists are obsessed with symbols:

Inside they have unusual “all ages” live entertainment in the evenings, check out some of the posters. The last one is billed as an “Exorcism,” note the two slices of pizza groping each other:

It features beings holding the dismembered heads of smaller beings:

Here's another painting on the wall, with a man that appears to be ejaculating while playing ping pong with a smaller being. Also notice "Shut up n' fuck" written on the upper left. According to a recent interview with Alefantis these images have since been removed.

FINISH EATING YOUR PIZZA AFTER YOUR SESSION

Hackers on 4Chan claimed to have found a secret area of encrypted videos on the Comet Pizza website's server.

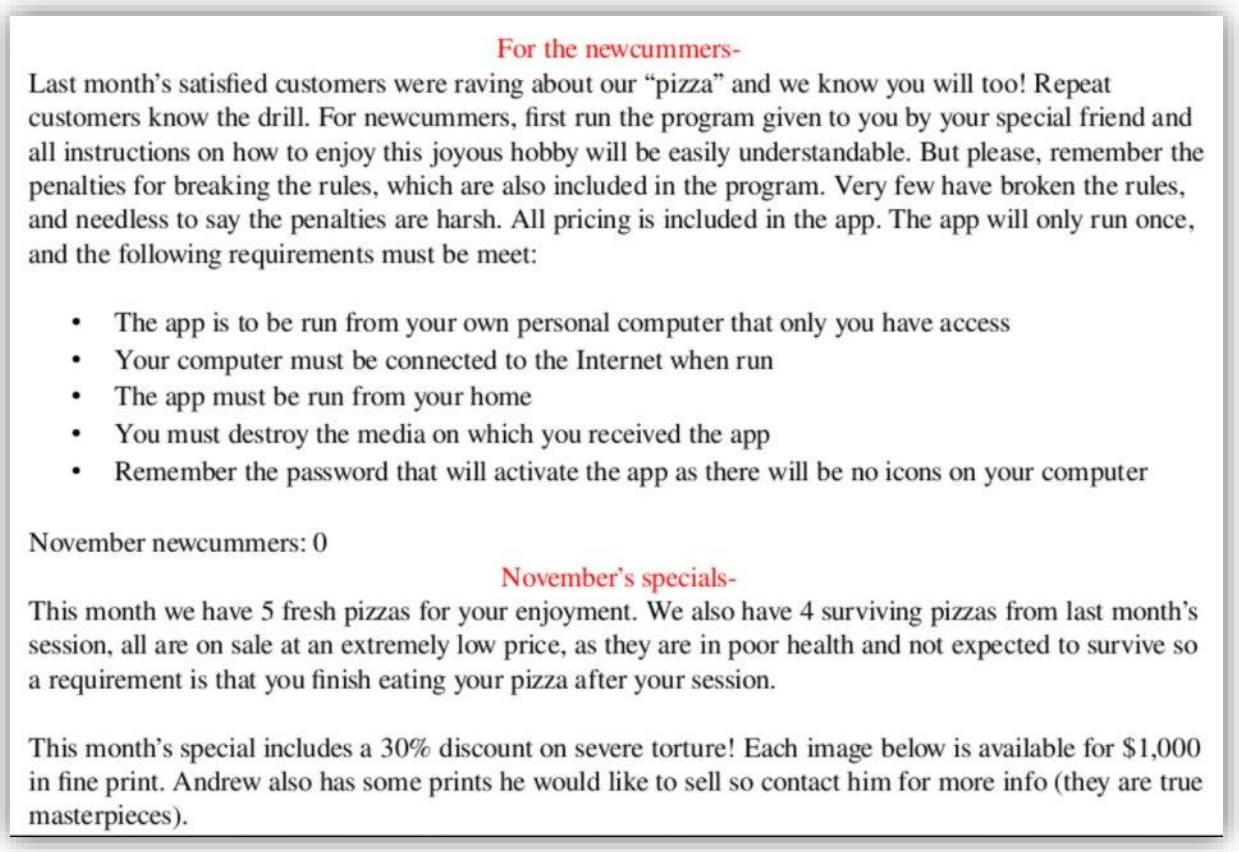
Although they could not de-encrypt the videos, they were able to extract an image with text on it that provided instructions to those who were accessing the videos.

The instructions used code language to discuss an app that viewers would download and use one time only.

When the disclaimer said "each image below is available for $1,000 in fine print," you most likely have to add a zero to get the price they are charging for a captured child.

"We have 4 surviving pizzas from last month's session, all are on sale at an extremely low price, as they are in poor health and not expected to survive so a requirement is that you finish eating your pizza after your session."

"This month's special includes a 30% discount on torture"



For the newcummers-

Last month's satisfied customers were raving about our "pizza" and we know you will too! Repeat customers know the drill. For newcummers, first run the program given to you by your special friend and all instructions on how to enjoy this joyous hobby will be easily understandable. But please, remember the penalties for breaking the rules, which are also included in the program. Very few have broken the rules, and needless to say the penalties are harsh. All pricing is included in the app. The app will only run once, and the following requirements must be meet:

- The app is to be run from your own personal computer that only you have access
- Your computer must be connected to the Internet when run
- The app must be run from your home
- You must destroy the media on which you received the app
- Remember the password that will activate the app as there will be no icons on your computer

November newcummers: 0

November's specials-

This month we have 5 fresh pizzas for your enjoyment. We also have 4 surviving pizzas from last month's session, all are on sale at an extremely low price, as they are in poor health and not expected to survive so a requirement is that you finish eating your pizza after your session.

This month's special includes a 30% discount on severe torture! Each image below is available for $1,000 in fine print. Andrew also has some prints he would like to sell so contact him for more info (they are true masterpieces).

MAJESTIC APE

Another disturbing aspect of Pizzagate are the videos of Majestic Ape.

The name "Amanda Kleinman" is likely a distraction, as Majestic does not look or sound like her: https://www.youtube.com/watch?v=sHzRntRmQls&feature=youtu.be&t=18s

The hands of Majestic Ape, as seen in these music videos, are clearly male. They have the same size and shape as those of Alefantis, and have no hair, just like those of Alefantis:

https://www.indiegogo.com/projects/heavy-breathing-s-release-of-airtight#/

The mouth that we see through Ape's mask looks exactly like Alefantis' mouth, including the thin lips, noticeable indentions around the philtrum below the nose, and the shape of the corners.

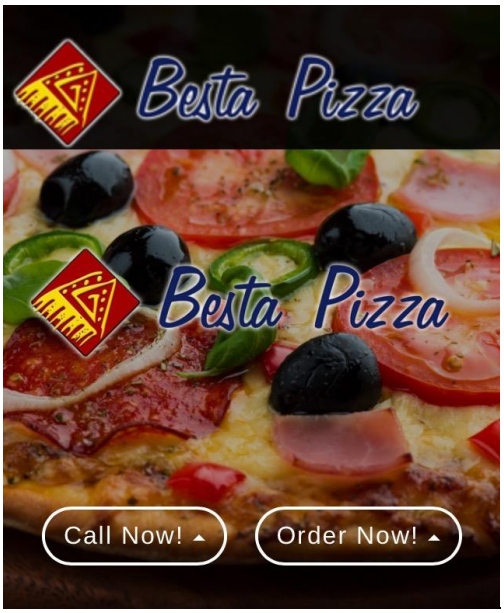
Furthermore, the voice of Majestic Ape while speaking through the vocoder, sounds exactly like a pitch-shifted version of Alefantis' voice. At the very least it is a man, perhaps that's the joke since they say the artists first name is "A Man Da."

Two tapings have emerged so far of Majestic joking about raping and murdering children and babies on the Comet Pizza stage—which again is owned and run by James Alefantis. The longer version has since been removed from Youtube, but here's a link to the second one: https://www.youtube.com/watch?v=9itWsqzFMVo

This captioned exchange about preferring children ended with a very creepy satan-laugh: (exchange starts at about 1 minute) https://www.youtube.com/watch?v=sHzRntRmQls&feature=youtu.be&t=18s

BESTA PIZZA

Another pizza place just a few doors down from Comet Ping Pong is Besta Pizza. “Besta” means “Beast” in Portuguese. You remember Portugal, where the Pedo brothers are exact matches to the child abduction suspect drawings? And the Besta logo is the same as the FBI’s “Boy Lover” symbol. Once the investigation revealed the meaning of their logo, [the company changed it on their website], [even while the original was still visible in their menu.]



Remember the “Moloch Maschine” note with the hankies James Alefantis received as a gift? Moloch Maschine represents Moloch the god – child sacrifices were made in the fire oven in the belly - the belly of the beast - or BESTA.

TERRASOL BISTRO

Across the street from the two key pizza places is a bistro called Terasol. Up until recently, Terasol had the Girl Love logo prominently displayed on their website, right below a picture of a celebrity guest who just ran for President. Notice the smaller hand inside the larger hand, inside the FBI "Girl Lover" logo:

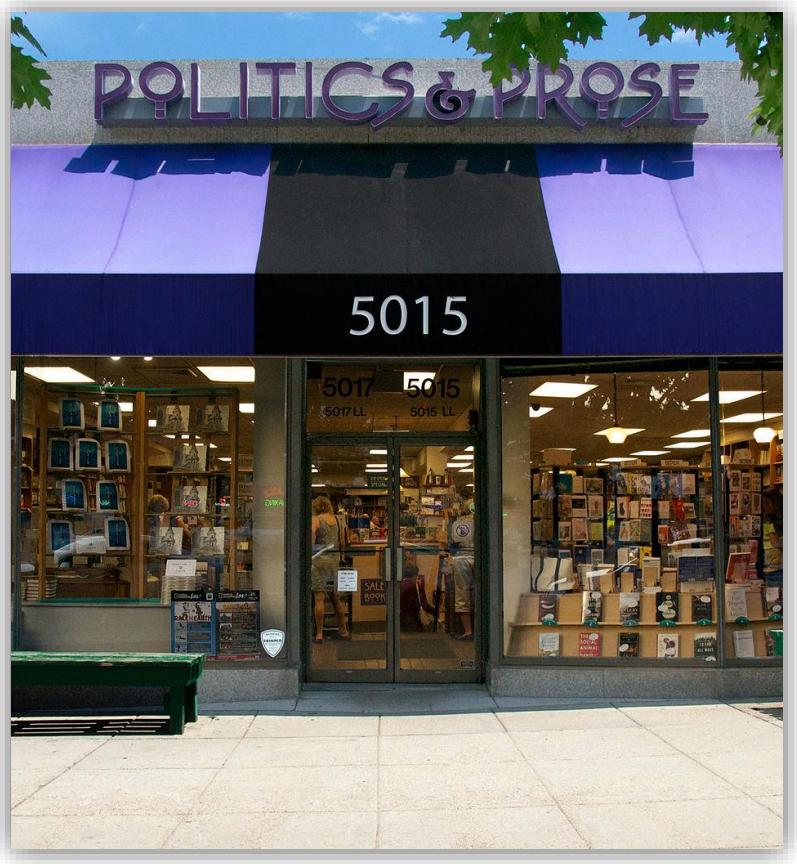
POLITICS & PROSE

The newly-altered version of the Besta Pizza logo has also appeared on the Politics & Prose Bookstore website, another business on the same block that has been implicated just since Pizzagate began. This business is apparently owned by Hillary's speechwriter.

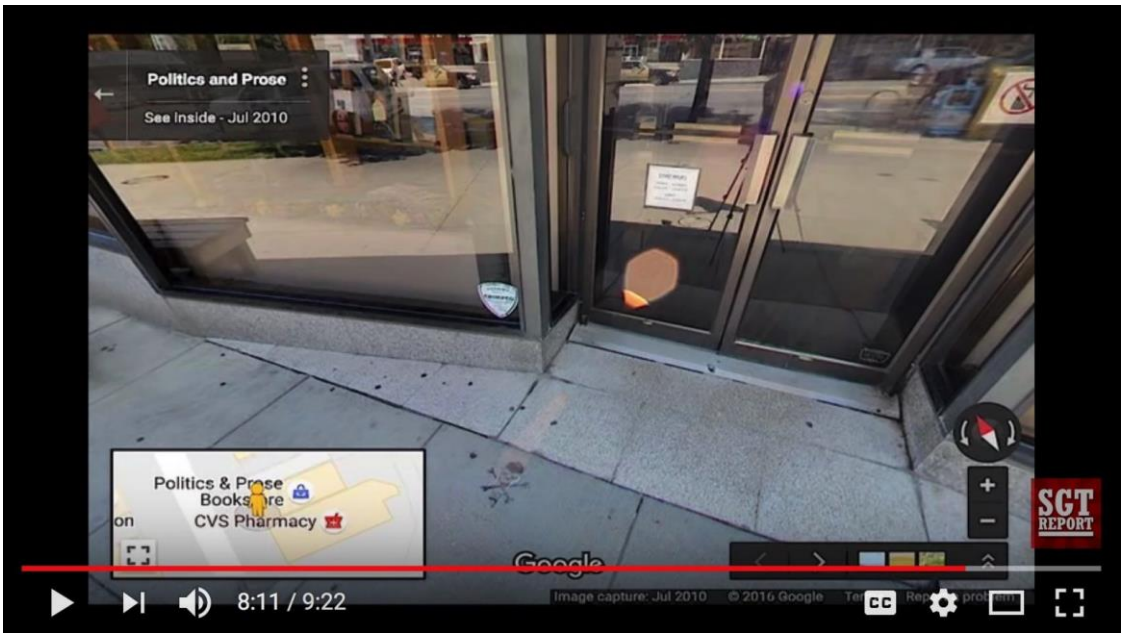
As revealed on Wikipedia, the Politics & Prose storefront has the "Little Boy Lover" logo written into the ampersand (&) symbol in the middle of the title:

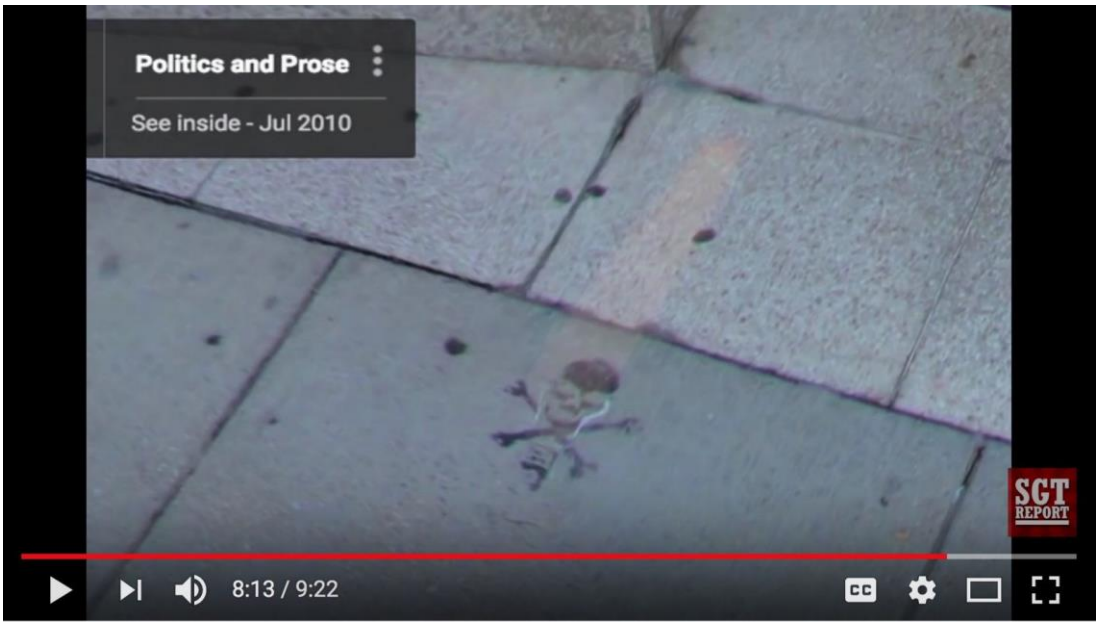


THE SKULL AND CROSSBONES

These two screen captures from a Sgt Report video reveal that [a skull and crossbones "death" symbol was clearly visible on the sidewalk in front of Politics & Prose as of July 2010.]

This symbol was easily visible in a Google Maps Street View search:





The Skull and Crossbones symbol is also seen in the Skull and Bones society, also known as the Brotherhood of Death, which many US presidents have been members of:

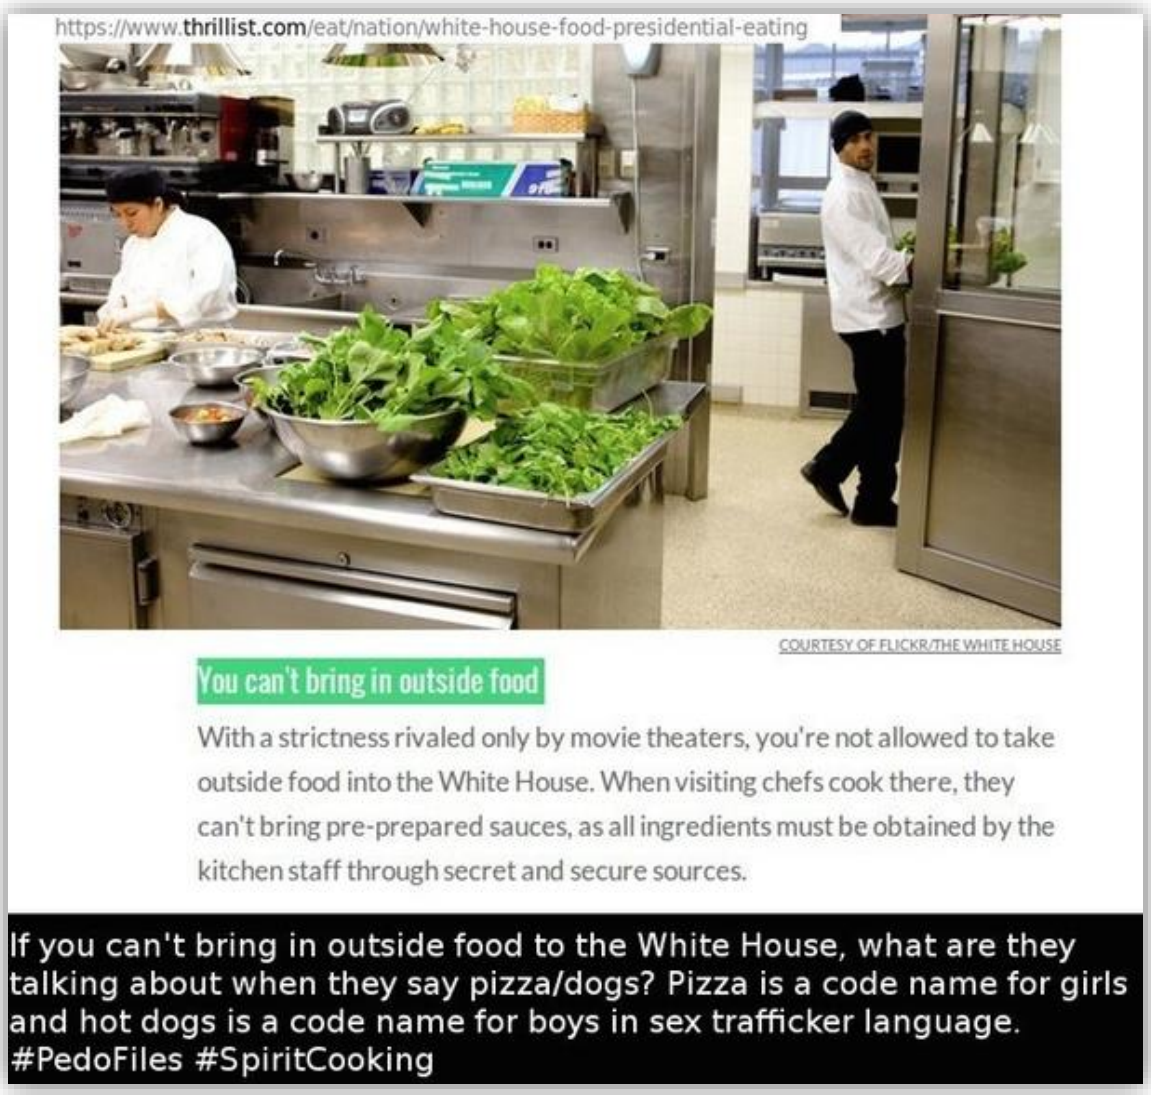
Flying in $65,000 worth of hot dogs seems very odd, especially given that you cannot bring food into the White House.

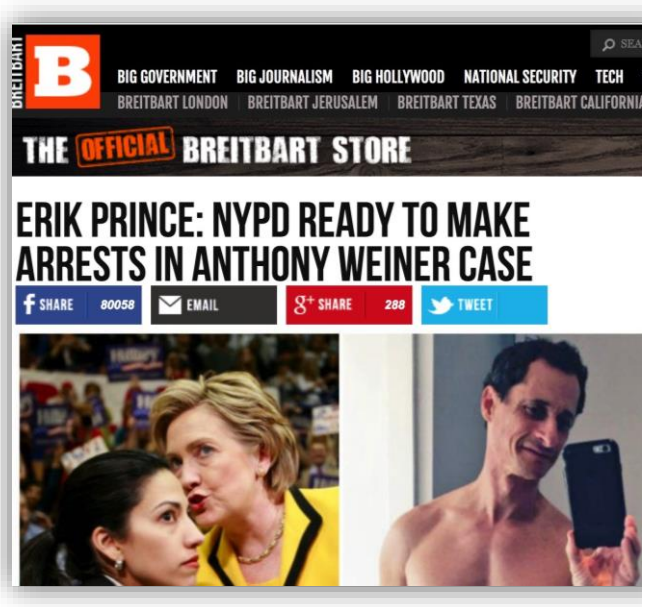
However, when you consider that “hot dog” is a code word for boys, “pizza” is a code word for girls and “Waitress” means prostitute, then the whole email chain makes much more sense.



https://www.thrillist.com/eat/nation/white-house-food-presidential-eating
COURTESY OF FLICKR/THE WHITE HOUSE
You can't bring in outside food
With a strictness rivaled only by movie theaters, you're not allowed to take outside food into the White House. When visiting chefs cook there, they can't bring pre-prepared sauces, as all ingredients must be obtained by the kitchen staff through secret and secure sources.
If you can't bring in outside food to the White House, what are they talking about when they say pizza/dogs? Pizza is a code name for girls and hot dogs is a code name for boys in sex trafficker language. #PedoFiles #SpiritCooking

BLACKWATER FOUNDER ERIK PRINCE'S STUNNING "REVEAL"

On November 4th 2016, Breitbart News featured a very significant article entitled "Erik Prince: NYPD Ready to Make Arrests in Anthony Weiner Case."



"Blackwater founder and former Navy SEAL Erik Prince… claimed he had insider knowledge of the investigation that could help explain why FBI Director James Comey had to announce he was reopening the investigation into Clinton's email server last week…"

"[The NYPD] found a lot of other really damning criminal information [in the 650,000 emails on Weiner's laptop],… including the fact that Hillary went to this sex island with convicted pedophile Jeffrey Epstein."

"Bill Clinton went there more than 20 times. Hillary Clinton went there at least six times," he said…

"The NYPD wanted to do a press conference announcing the warrants and the additional arrests they were making in this investigation, and they've gotten huge pushback, to the point of coercion, from the Justice Department."

As we read further in this key Breitbart article, we hear that [the mayor of NYC wanted nothing to do with the 650,000 new emails, and the NYPD feels they are proof of "great evil:"]

> *"As for [Bill de Blasio,] the mayor of New York City, [Blackwater founder Erik] Prince said he has heard that "de Blasio wants to stay away from this."*
>
> *"The [new Clinton email] evidence is so bad, the email content is so bad, that I think even [de Blasio] wants to stay away from it, which is really telling," he said….*
>
> *"For any cop that is aware of this level of wrongdoing, and they have veterans in their family… they owe it to them to stand up… and shine the light of truth on this* ***great evil****."…*
>
> *"This is stuff coming right off a hard drive that was owned by Weiner and his wife Huma Abedin, Hillary's closest adviser for the last 20 years," he said of the new bombshells.*
>
> *"This is not from some hacker or anybody else. This is a laptop seized from a warrant in a criminal investigation."…*
>
> *"This kind of evil, this kind of true dirt on Hillary Clinton – look, you don't have to make any judgments. Just release the emails," [Erik Prince] urged.*

WHAT ABOUT BREITBART?

On February 4th, 2011, Andrew Breitbart tweeted, "How prog-guru John Podesta isn't [a] household name as [a] world class underage sex slave op cover-upper defending unspeakable dregs escapes me."

Then, a year later, all throughout February 2012, Breitbart telegraphed the release of a video that he said would appear on March 1st.

This video, he claimed, would be severely damaging to Obama's re-election campaign. "Wait till they see what happens March 1st," he said.

Right before the anticipated release, on February 28th, 2012, he tweeted, "How much longer until they kill me ("heart attack" or "car accident") or frame me for a crime? Read me while you can."

Andrew died of an alleged heart attack on March 1st, 2012—just two days later. Coincidence?

The coroner who conducted the investigation died of arsenic poisoning just two months later. It's not that hard to figure out what happened here.

WILL STEVE BANNON PURSUE JUSTICE?

Steve Bannon took over Breitbart News after Andrew's death, becoming Executive Chair in March 2012.

It is therefore very interesting that Trump appointed Bannon to a cabinet-level position as his chief strategist and senior counselor.

Mainstream Media outlets are in an all-out panic about Bannon's new role, doing everything they possibly can to demonize him.

Bannon does have character defects. The media is amplifying them to the point where it seems as if that's all there is to see.

However, Bannon's appointment makes me hopeful that Pizzagate arrests will take place some time after the inauguration on January 20th.

THE CULTURE OF CHILD RAPE – NAMBLA & MODERN BOYLOVER MAGAZINE

"NAMBLA" is an acronym that stands for the North American Man Boy Love Association.

It was founded in 1978 and they believe "consentual" sex with young boys should be legal.

It was discovered during the Franklin Cover Up Scandal (see page 8) NAMBLA funneled massive amounts of money through the Franklin Credit Union.

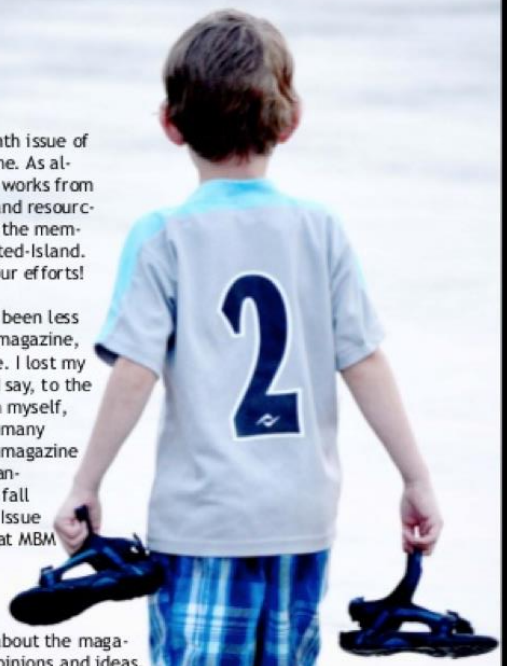
David Wilcock and his team at DivineCosmos.com found a digital copy of issue 14 of "Modern Boylover" magazine, which has no explicit pictures, while searching for the FBI document on LinkedIn SlideShare.

It appears to have been saved there as further evidence to be used in investigations. It is not at all something they recommend reading due to the "creep factor," which is off the charts.

The triangular Boylover logo appears all throughout the magazine, including the logo for KBLR (BoyLoveR) Radio.

The following pages are excerpts from Modern Boylover Magazine:

LETTER FROM THE EDITOR



Welcome to the fourteenth issue of Modern Boylover Magazine. As always, we bring together works from various boylove forums and resources. I would like to thank the members and staff of Enchanted-Island.com for joining MBM in our efforts!

The past few years have been less than productive for the magazine, which largely falls on me. I lost my way, I suppose you could say, to the point where I gave up on myself, and MBM entirely. While many credit me for saving the magazine after the fall of BLN, RyanJames saved it after the fall of 420Guy. In organizing Issue #13, he proved to me that MBM could still continue on.

What I've always loved about the magazine is the diversity of opinions and ideas. It's about showing the world how different we all really are....how human.

Thanks to YoungCity.net, BoyMoment.com and Boylover.org for your continued efforts and support. The magazine simply would not exist today if it wasn't for you!

We hope you enjoy reading this issue, and look forward to bringing you more in 2016!

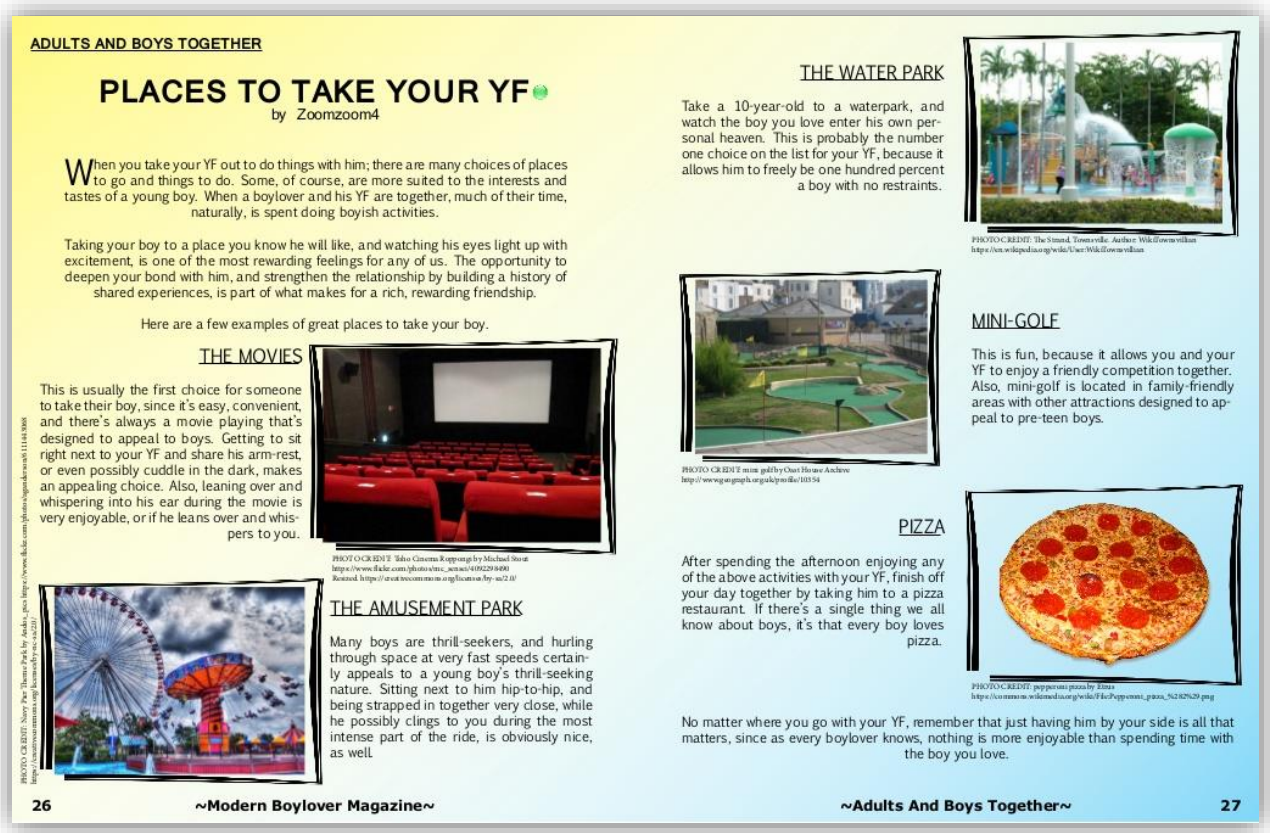
Here's an article about where to take your Young Friend (YF), and it ends with the topic of pizza:



ADULTS AND BOYS TOGETHER

PLACES TO TAKE YOUR YF

by Zoomzoom4

When you take your YF out to do things with him; there are many choices of places to go and things to do. Some, of course, are more suited to the interests and tastes of a young boy. When a boylover and his YF are together, much of their time, naturally, is spent doing boyish activities.

Taking your boy to a place you know he will like, and watching his eyes light up with excitement, is one of the most rewarding feelings for any of us. The opportunity to deepen your bond with him, and strengthen the relationship by building a history of shared experiences, is part of what makes for a rich, rewarding friendship.

Here are a few examples of great places to take your boy.

THE MOVIES

This is usually the first choice for someone to take their boy, since it's easy, convenient, and there's always a movie playing that's designed to appeal to boys. Getting to sit right next to your YF and share his arm-rest, or even possibly cuddle in the dark, makes an appealing choice. Also, leaning over and whispering into his ear during the movie is very enjoyable, or if he leans over and whispers to you.

THE AMUSEMENT PARK

Many boys are thrill-seekers, and hurling through space at very fast speeds certainly appeals to a young boy's thrill-seeking nature. Sitting next to him hip-to-hip, and being strapped in together very close, while he possibly clings to you during the most intense part of the ride, is obviously nice, as well.

THE WATER PARK

Take a 10-year-old to a waterpark, and watch the boy you love enter his own personal heaven. This is probably the number one choice on the list for your YF, because it allows him to freely be one hundred percent a boy with no restraints.

MINI-GOLF

This is fun, because it allows you and your YF to enjoy a friendly competition together. Also, mini-golf is located in family-friendly areas with other attractions designed to appeal to pre-teen boys.

PIZZA

After spending the afternoon enjoying any of the above activities with your YF, finish off your day together by taking him to a pizza restaurant. If there's a single thing we all know about boys, it's that every boy loves pizza.

No matter where you go with your YF, remember that just having him by your side is all that matters, since as every boylover knows, nothing is more enjoyable than spending time with the boy you love.

IT'S EVERYWHERE

It's important to understand the scope of this problem, they are literally laughing at us, flaunting it in our "news & entertainment," or as I like to call it "programming."

Now that you have seen the strange pedophilia underworld and their code words, have a look at this two-year old music video from Katy Perry. The video features dancing pizzas, ice cream, and some sort of strawberry critter bending over like it wants anal sex. Also the penis shaped ice cream (with a red head no less) thrusts up & down in the video ("*Straight Stuntin"*).
This is not subtle stuff here, she is flat out telling you that they abuse children and *it's no big deal*.

Lyrics:
"It's no big deal, it's no big deal, it's no big deal
This is no big deal

This is how we do, yeah, chilling, laid back
Straight Stuntin' ya we do it like that"

I imagine it's a very big deal to the children being raped.

Here again is the list of the basic code words for child abusers:

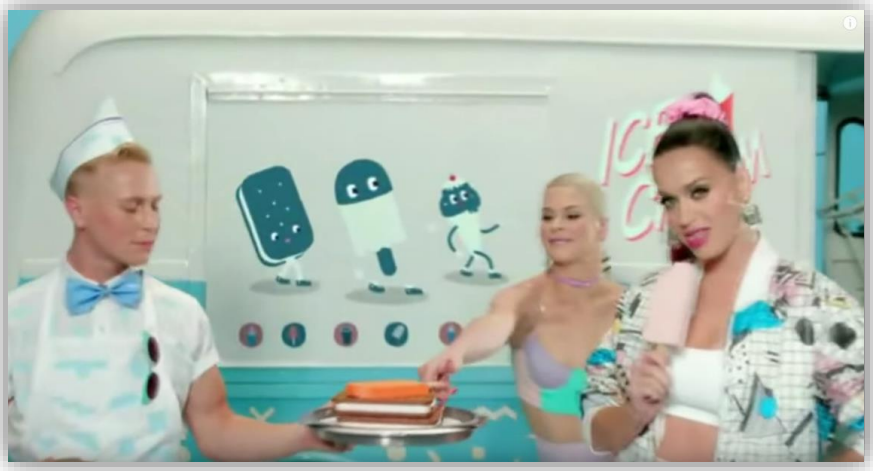
"hotdog" = boy
"pizza" = girl
"cheese" = little girl
"pasta" = little boy
"ice cream" = male prostitute
"walnut" = person of color
"map" = semen

"Ping Pong" is a slang reference for sex, due to the rhythmic motion involved:

They even simulate an ejaculation with a fire extinguisher under a blacklight. Remember the CSI episodes where they look for body fluids under a black light?!?

"*Eating tacos, lookin' at hotties*"

And “ice cream” is a code word that means male prostitute:



Laura,

I consider ice cream, its purchase, and its consumption a rather serious business. We can't just willy-nilly toss it out and about in casual references, especially linked with the word "free".

Regards,
Kris Cleary

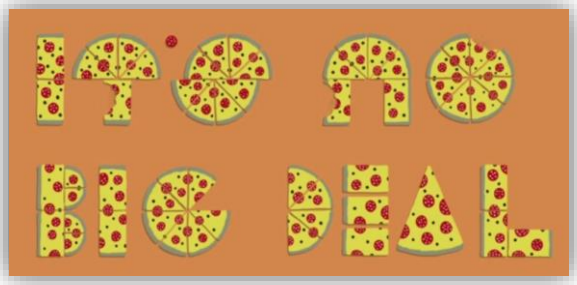
“It’s No Big Deal” on truck in background, really driving it home for you to accept that this is OK.

“This Is No Big Deal” with the devil-horn stubs hairdoo:

“It’s No Big Deal” spelled out in *pizza*:



Katy laid out like a dish (“pizza” is code for ”girl”), dressed in a pizza print bathing suit:

And Katy Perry is not the only celebrity obsessed with pizza or devil-horn hairdoos:

MASTER DATABASE SAVED FROM DELETION

The central nexus-point for Pizzagate research on Reddit was censored as it went viral, as were the backups, but thankfully Archive.org captured it at its peak on November 22nd:

https://web.archive.org/web/20161122083118/https://m.reddit.com/r/pizzagate/comments/5da0kp/comet_ping_pong_pizzagate_summary/

Now that this link has been published, it may be censored off of Archive as well, but for now anyone can grab the data and mirror it.

All the initial, landmark Pizzagate videos were based off of the research in this thread, though additional links are continually being discovered as well.

So after reading all this, are you a "Pizzagator" yet?

**Special thanks to DivineCosmos.com for some text portions & images,*
Special thanks to TheMillenniumReport.com for the pizzagator graphic above.
Many of the graphics included were not made by me, thanks to all those out there who contributed!
And thanks to everyone out there vigilantly investigating this and spreading the word!

Dedicated to all the children out there, who as you read this are locked away somewhere awaiting their next torture session, gang rape, or ritual sacrifice.

I offer this work as a service to them, that it might help raise awareness and someday put an end to the scourge of satanism and pedophilia on this Earth.

So as we enjoy our lives of comfort & ease, *we must never forget this goes on everyday, and we must not stop until we put and end to it and the perpetrators are brought to justice.*
